Session Is Explosive

'SECTIONAL FIGHT' HINDERS CITY HARMONY ON FREEWAY

Daly City's freeway committee, sadly lacking in unanimity last week, will meet again next Tuesday night at City Hall to resolve the "sectional" fight that has loomed over the state's plans for freeways here.

Tempers got heated and the opinions were many last week when Chairman-Councilman Francis Pacelli attempted to steer the DC committee for a "united front" when the state holds public hearings on the north county freeway routes January 13 in South San Francisco.

Many questions were left unanswered in the confusion last week.

St. Francis Heights Association challenged the representation on the city committee, asking that 10 of its members be added to the committee which spokesman David Plyer charged is comprised mostly of Westlake residents.

In addition, Plyer submitted a resolution from his group asking that the city reject all proposed freeway routes in Daly City.

Postmaster Vincent Murphy, representing the Chamber of Commerce and a resident of Broadmoor, described the city freeway committee's adopted route as "idiotic" and that it be junked. This proposal was despite the fact the city committee (including Murphy) was unanimously in favor of the East Y-T route earlier this

Blaze Perils Ancient Home On School Site

A blaze that destroyed an antiquated shed on the park-like Muessdorffer property off Hanover street required the services of Daly City firemen for almost two hours last Friday afternoon.

Chief Elmer Kennedy said 14 firemen fought the blaze, presumably set by juveniles. The loss didn't amount to much since the shed contained no property other than old magazines, papers and pieces of wood. But the flames could have spread and wiped out the old Meussdorffer home — only 50 feet from the blaze.

The Meussdorffer property soon will be cleared to make way for the George Washington elementary school. The Meussdorffer land will be the main part of the school site.

Elderly Irene Meussdorffer, former opera star and heir to considerable money from her international hat company parents, was escorted from the scene Friday by police. Her family have occupied the property since 1863. She has lived alone for many years.

MAYOR NAMES DRIVE HELPERS

Mayor Edward Dennis today appointed five Daly City representatives to the expanded committee working for the establishment of a north county hospital district in 1960.

Dennis has nominated editor Harold P. Bradshaw of Marchbanks Publications, insurance man and Chamber of Commerce's Peter J. Markovich, Daly City Auditor Bob Hunter, and Councilmen Bob St. Clair and Francis Pacelli to assist the mayor's central committee.

At last week's mayors' hospital session, Jean Fassler of Pacifica took over as chairman, replacing South San Francisco Mayor Andrew Rocca. Rocca said his business was taking too much time, thus he was in favor of Mayor Fassler assuming the chairmanship.

Fassler and Rocca also will appoint citizens from their cities to the larger committee. Next hospital committee meeting will be on Tuesday evening, January 12, at Colma School, starting at 8 o'clock.

Malicious, True! But What Penalty?

Rebecca Ardelain, 27, of 210½ Los Olivos avenue, reported to Daly City police Sunday that malicious damage had been done to her home.

She said a venetian blind had been damaged. Officer Ralph Warren and Sergeant Charles Terry conducted an intensive investigation. Not only had the venetian blind been torn and gnawed on but also scratch marks had been found around the door.

The culprit was found, but not arrested. The woman's dog had been kept in all day and apparently tried to get out the front door. The report was stamped "case closed."

New Employes Can't Be Hired; Taxes Higher?

Daly City councilmen still don't have the answers but there's no doubt that the $171,935 deficit possibility will necessitate heavy cuts in expenditures and maybe even a cutdown in municipal personnel.

These prospects were aired again Friday noon when Mayor Edward Dennis called a meeting of all department heads to inform them of the seriousness of the situation.

City Finance Director Joseph Arch repeated the "deficit" outlook, then Councilmen Joseph Verducci and Francis Pacelli emphasized that strict economy moves must be made to eliminate planned expenditures in many departments.

Unless the council transfers their only available surplus, from the water fund, and goes along without new personnel in several departments—including fire and police—the general fund cannot be balanced and the fiscal budget will be in the red by next July.

Verducci made no bones about the problem nor did he hedge on responsibility for it. Pacelli didn't say as much, but his limited comments mirrored Verducci's hard-hitting language.

Said Verducci, "Let's not kid ourselves. We're in a predicament. We've just had poor leadership no matter how you look at it. It may have been the city manager or the council . . . or both. The thing is that now we must do everything to correct the situation."

"We can't fool around," he continued. "I want to go on record now that I am not in favor of making the taxpayer pay for administrative mistakes. We should not ask the people for any additional funds to make up for the city's mistakes."

Verducci was referring to the possibility of a heavy property tax hike next year due to this fiscal year's budget blunders and overestimations.

"We're in a catastrophic period," Verducci went on. "If necessary, if we have to, we should even try to eliminate a few present city jobs. There can be no fooling around."

Arch and City Attorney Paul Hupf agreed fully. The finance chief recommended the use of

(Continued on Page 2)

'Tall & Short' Motel Bandits Get $127 Here

Two bandits got away with $127 after holding up Helen E. Bates at the Cavalier Motel, 2263 Junipero Serra boulevard, at 1:12 a.m. Monday and then fleeing on foot.

Mrs. Bates, 62, part-owner of the motel, described the suspects as a Mutt and Jeff duo. She said both were in their late 20's One was 6 feet, 160 pounds, slender build, dark hair and wore a dark hat and black trenchcoat.

The other was 5-4, 170 pounds, and wore an Ivy league cap and jacket, she said. Officers Jim Doran and William Schumacher investigated for the police.

Serra Accident Injures Four

Two pedestrians, a driver and a passenger in a second car were all injured and treated at Junipero Serra Hospital after the two autos collided at Junipero Serra boulevard and Pierce street Saturday at 9:10 p.m.

The pedestrians were S. F. Scott, 37, 6186 Sutter street, San Francisco, and William Orndorff, 29, 1360 DeSoto drive, Pacifica. Scott suffered cuts of the left face and a bruise on the left arm. Orndorff had cuts on the left knee.

Injured while riding with her husband was Carmen Krestovich, 35, 1404 South Mayfair avenue, Daly City. She suffered multiple cuts of the back and scalp. The autoist injured was Catherine C. Rodgers, 35, 282 Dundee drive, South San Francisco. She had a laceration of the upper lip.

Firemen Aid Stricken Lad

Captain Charles Marshall and fireman Lyle Church gave rescucitation to four-year-old Robert Forbes, 147 East Vista avenue, Saturday at 4:30 p.m. when the young boy had convulsion attacks and difficulty in breathing.

The boy was transported to Junipero Serra Hispital and then transferred to Children's Hospital in San Francisco. Fireman Harvey Cross gave rescucitation from one hospital to the other as the attending physician said this was a necessary precaution.

City Manager?

Daly City's councilmen will announce their choice of a new city manager at next Monday's regular meeting, starting at 8 p.m. at 75 Wellington avenue. The new administrator, whose starting salary is a guaranteed $15,000 per year, is expected to assume duties here early next month.

Mayor Edward Dennis at midweek said the council was scheduled to meet in closed session before Friday to decide between "two outstanding candidates we have screened down to."

Although names of the many manager applicants here have been withheld for obvious reasons, Dennis did reveal that one of the remaining candidates is from Northern California and the other is from the greater Los Angeles area. Both are presently employed as city managers — a specification that the council made a "must" in asking the State Personnel Board to recruit highly qualified candidates.

Since the council's unanimous dismissal of George W. Watts last August, City Attorney Paul

(Continued on Page 2)

Despondent Young Mother Placed Under Observation

A young mother, who lives on East Moltke street, called Daly City police Sunday at 7:45 p.m. and asked them to pick her up as she "was going crazy" and if left alone would kill herself and her eight-month-old baby.

Officer Richard Sims responded and took the woman to Junipero Serra Hospital. A 72-hour hold was placed on her and she was transferred to Community Hospital. The baby was also brought to the hospital for care.

DC Man, 43, Kills Himself

Responding to a call Monday from Mrs. Stanley A. Hurst, 249 Wyandotte street, who said she hadn't seen her neighbor in several days, police found the body of George Sowik, 43, of 243 Wyandotte street.

Officer Richard Sims and Sergeant David Hansen went to the man's home and found the front door open. They went to the bedroom where they found Sowik. They said he had apparently pointed a 30.06 rifle at his face and fired.

Richard Beal, deputy coroner, said Sowik died within 12 to 24 hours of the time he was found. No suicide note was found. Police said the man was a heavy drinker. Sowik's wife is in Missouri.

LYLE and Patricia Church's seven children, aged two weeks to six years, are (not too patiently) awaiting the arrival of Santa Claus. Holding Mary, one-year-old, is Patricia, while Lyle holds Maureen, 2 years. Johnny, 3 years, Kathline, 5, and Leslie, 4, can hardly to wait the open gifts. Two-weeks-old Dorothy was asleep and Gary, 6, was at school when the photographer arrived. Dad Chruch is a Daly City fireman.

THE RECORD photo

Freeway Unity?

(Continued from Page 1)

year, believing that the north-south Junipero Serra freeway was inevitable and that if the city suggested a "least destructive" route, the state might be agreeable.

Westlake members of the city freeway committee stuck together in their sustained attempt to keep the freeway off of Alemany boulevard. Dick Dwyer went so far as to state from the audience that Westlake had most of Daly City's population, had solicited almost 10,000 signatures against the Alemany freeway, and therefore had a right to solid representation on the city's freeway committee.

Builder Chris McKeon spoke for his interests and echoed Plyer's presentation on behalf of the St. Francis group. Engineer Carl Timmons did likewise for Doelger Corporation, which wants no part of any through-Westlake freeway.

Tom Callan Jr., representing Callan Company, suggested that City Attorney Paul Hupf at next week's meeting come up with some facts on Daly City's legal weapons in opposing the closing off of streets to make way for any freeway. Both Timmons and Hupf stressed this was a vital consideration—how much "power" the city had, if any, against the inevitable state route adoption.

But observers, including two state highway engineers (sitting in and making no comment), wondered if Daly City's stand on the state freeway proposals would be "united." Last week's meeting left everything but that impression.

Engineer Ted Tronoff, hired by the city committee to make its presentation to the state, perhaps had the most logical solution—substantiate the need for east-west freeway laterals off the north-south routes . . . outside of Daly City, particularly in the area south of the old Sharp Park road near Skyline. Tronoff said expected population in that area would make east-west laterals there more practical than laterals within Daly City. Tronoff's silence on the north-south route indicated that in his opinion the city's main concern should be the east-west laterals.

City Deficit?

(Continued from Page 1)

the water fund surplus—in the neighborhood of $100,000—to help belance the general fund. Arch said also that some $50,000 in salaries for new personnel to be hired before next June could be erased by not hiring them.

It was evident that no new employees can be hired before next June.

Hupf again stressed his earlier warnings to the council in the capacity of interim city manager. "You people have got to watch your cash position at all times, and even more so now," he pointed out.

Police Chief Roland Petrocchi and Fire Chief Elmer Kennedy, whose departments both are personnel-shy, were considerably disgruntled by the necessity of personnel cutbacks.

Petrocchi, who at one point said his department in the past "had been discrimminated against" in the hiring of more personnel, said that any possible cuts in personnel should be balanced, so that one department would not suffer more than others.

Pacelli agreed that the "economy program should be city-wide and carefully weighed so as not to restrict basic city services to the people."

The council was unable to designate specifically what personnel cuts could be considered because Arch said that as yet he hadn't all the figures necessary for council consideration. These facts will be presented to the full council next week.

Studying the city's financial predicament are a committee of Councilmen Micheal DeBernardi and Bob St. Clair, City Auditor Bob Hunter and Arch.

DeBernardi and St. Clair missed last week's special meeting with the department heads. Hunter was also absent.

Pacelli, facing the difficult task of harmonizing the city for a "united" front, stressed that there is no time to spare. Whether the intra-city conflicts can be resolved by next Tuesday night at 8 p.m. and by January 13 is a moot point.

Pacelli noted that the city had little chance for success in fighting undesirable routes unless its stand was unanimous.

City Manager?

(Continued from Page 1)

Hupf and City Clerk Evelyn Mosman have supervised municipal management via council authorization.

Mayor Dennis, meeting with department heads last Friday at Westlake Bowl, cited Hupf in particular for "doing an outstanding job for us in the absence of a city manager." Councilmen Joseph Verducci and Francis Pacelli praised Hupf, too, for helping to coordinate city affairs.

Councilman Micheal DeBernardi was absent from this meeting, which dealt with an "economy program" in view of an expected budget deficit, while Councilman Bob St. Clair was in Los Angeles checking on the background of one of the city manager candidates.

Runaway Tots Couldn't Take Home Situation

The two Daly City children who bicycled away from their Palisades home Wednesday last week and were returned almost 24 hours later to police have been turned over to juvenile authorities.

Parents of the nine-year-old girl and her 11-year-old brother are being investigated for possible child neglect charges.

Daly City police said the tots, who attend Vista Mar School, apparently left home because of the frequent quarrels and drinking bouts of the parents. The small pair left Wednesday afternoon, headed for an aunt's home in Redwood City. The boy piloted the bike and his sister was his passenger. They got as far as Millbrae where they slept overnight in some weeds off El Camino Real. Continuing their journey the next day and a bit hungry, the pair were spotted and nabbed going into a San Mateo gas station. The teenager who stopped them notified a San Mateo woman, who in turn had the children escorted back to Daly City police on Thursday.

ELDERLY WOMAN ON BEPLER ST. SUFFERS ATTACK

Mary Grace Nicoll, 78, of 169 Bepler street, was reportedly suffering from convulsions Sunday at noon and police were notified.

Officer Charles Munday responded to the scene and found a doctor there had already administered medication. The elderly woman was transported by M&D Ambulance to Junipero Serra Hospital.

Westlake Man, 38, Has Heart Attack

George Carl Mendoza, 38, was the victim of a coronary attack and received oxygen from Daly City firemen last Friday at 4:15 p.m. He was transported to Junipero Serra Hospital by M&D Ambulance.

Firemen were already at the man's home, 280 Lake Merced boulevard, apartment 2, when Officer Philip LaBruzzo arrived.

PENINSULA ROUTE

Rapid Transit Stations Told By District As Vote Nears

A preliminary route alignment for the proposed Bay Area Rapid Transit system in San Mateo County was made public today.

The suggested Peninsula route stretches 29 miles southward from the San Francisco city limits to a probable terminus at Mountain View in northern Santa Clara County. It follows generally the present Southern Pacifica Railroad right-of-way.

The tentative location was determined by consulting engineers for the five-county Bay Area Rapid Transit District, and is being submitted to local technical officials for further study.

Keneth M. Hoover, the district's chief engineer, emphasized that the route has not yet been approved by the district and is still subject to additional refinement.

The tentative plans call for 13 passenger stations and parking lots located at carefully-selected points along the Peninsula. Most of the route would be situated on aerial structures along the Southern Pacific right-of-way.

Hoover emphasized that the tentative plans represent only the first phase of rapid transit studies on the Peninsula. He explained that the second phase has just begun. This study, he said, will be devoted to the problems and costs involved in installing rapid transit facilities at grade level along the S.P. tracks and providing vehicular overpasses and underpasses at major crossings.

"This second phase could be very important to San Mateo County," Hoover said, "in that it would provide for efficient commuter service and at the same time could eliminate the very vexing grade crossing problem on the Peninsula."

Hoover said results of this study probably will be available early in March.

The proposed rapid transit line would enter San Mateo County from San Francisco adjacent to the route of the proposed Southern Freeway. From there to Daly City and Colma it would continue along the east side of the S.P.'s San Bruno branch line.

At Colma the transit line would cross over to the west side of the railroad and follow the right-of-way formerly occupied by the San Francisco Municipal Railway along El Camino Real. It would continue along the Muni Railway through South San Francisco and to San Bruno.

From San Bruno to Mountain View the line would travel along the west side of S.P.'s main line railroad.

Location of the pasesnger stations and commuter parking lots would be as follows: Daly City — at Westlake avenue; South San Francisco — near Chestnut avenue, between Mission Road and El Camino Real; San Bruno — between Aangus and Sylvan avenues; Millbrae — at Center street; Burlingame—near Oak Grove avenue; San Mateo — at Fifth avenue; Hillsdale — at 25th street; Carlmont—north of Holly street, between Belmont and San Carlos; Redwood City — between Jefferson avenue and Maple street; Menlo Park-Atherton—between Oak Grove and Ravenswood avenues; Palo Alto—north of University avenue; Palo Alto—at California avenue, and Mountain View—at San Antonio road.

Storage and light maintenance yards for the rapid transit trains would be located at Colma and Mountain View.

Hoover said the rapid transit system will reduce by at least 15 to 20 minutes the time now needed by most commuters to travel on the fastest express trains from Peninsula communities to job centers in downtown San Francisco.

Its principal advantages over the service now offered to Peninsula commuters, he said, will be greatly increased peak hour service, round-the-clock frequency of trains, and more centralized passenger delivery points in downtown San Francisco.

The rapid transit trains will be designed to operate as often as every 90 seconds during peak hour service, and at speeds of up to 75 miles an hour.

Hoover said the system will be able to carry 30,000 seated passengers per hour in each direction, and thus will relieve much of the auto congestion on the freeways.

This is the fourth county in which the proposed transit route has been tentatively located by the consulting engineers. Earlier, plans were revealed for Marin, Alameda and Contra Costa counties. Preliminary work is still being completed in San Francisco.

Engineers are expected to complete plans for the entire 125-mile Bay Area rapid transit system by next May. After being approved by each of the five county boards of supervisors in the District, the plans will be submitted to Bay Area voters in the form of a bond issue proposal next November.

Engineering of the Peninsula transit routes is being carried out for the Rapid Transit District by Wilsey & Ham, engineering consultants of Millbrae. The same firm is conducting the rapid transit grade separation study for San Mateo County and the District.

TRUSTEES SET DOUBLE SESSION FOR WESTMOOR

Jefferson Union High School District trustees, having no other alternative, Monday night unanimously approved double sessions at Westmoor High School to begin in September of 1960. Jefferson High will not be affected.

Probable times of classes were also approved, the only variance being a possible five minutes in starting times due to the bus schedule. Morning classes for all students residing in Westlake, Broadmoor, Garden Village, St. Francis Heights and 12th grade students living within the territorial limits of the Laguna Salada Elementary District, will start at 7:40 a.m.

The six periods of classes, which will let out at 12:15 p.m., include a 15-minute brunch period which will be held in the classrooms. The reason for keeping youngsters in the classrooms is due to the time element and limited facilities at the cafeteria for the 1216 morning students.

Afternoon classes for all students, excepting 12th graders, living within Pacifica's Laguna Salada Elementary District, will start at 12:30 and end at 5:05 p.m. Again there is a brunch period sandwiched between the six periods for the 913 Pacificans.

Directly from the bulging problem confronting the district, Superintendent Ed Morgan launched into future growth and how to house students in the coming seven years. The board approved handing the problem over to Dr. William Strand, director of the San Mateo County Continuing Survey, to have Stanford conduct a study.

The request was on the general topic of "Jefferson Union High School District Present and Future High School Sites." More directly Morgan stated, "We would like to know how large our schools can be and still do a good job of educating our youngsters."

Morgan also received approval to contact teacher placement agencies in an effort to obtain two principals, one each for Oceana and Terra Nova High Schools to be built in Pacifica. One is desired by February of next year to help Director of Instruction Dr. John Ivan in preparing schedules, registrations, etc., for the afternoon session at Westmoor.

The second principal would begin work on August 1. However, Morgan is dubious that these two men could be hired at these early times.

"We will notify our own Jeff District staff of the openings, but from preliminary 'feelers' that have been sent, there won't be many applications. We're not eliminating our own people, but we are predominantly a young staff," Morgan noted.

"There are many capable persons within our district who can, and will, fill positions such as Dean of Boys and Dean of Girls, etc., at the two new schools," he added.

Projections for the next seven years show that 8300 students will be attending schools within the district. Morgan declared that this amount makes the district eligible to begin planning for two new high schools right now. He added that it is much less costly and time consuming to add increments to present sites.

This will all be determined by the Stanford Institute's survey, or at least route the board to the most feasible course of action.

There are other things which may be done, Morgan noted. Perhaps, building just one high school and adding increments to the four that will be in operation by this time, or changing the Jefferson-Westmoor boundary line for student assignments.

Car Firms' Office Loses Radio Set To Burglar Here

A radio receiver and transmitter valued at $500 was stolen from Ed Schmidt Motors, 618 Mission street, last Tuesday night.

Ed Schmidt Jr., 26, of 6973 Chabot road, Oakland, reported the theft to police. Officer Art Linhares said the thieves used a one-inch pry bar to remove the lock off the hasp on the office door.

The receiver and transmitter were taken from atop a television set in the office. The TV set was not tampered with.

The United States Naval Observatory was established at Washington, D.C., December 6, 1830.

Churches Tell Xmas Services

Daly City's churchgoers of all faiths will participate in solemn services this week in tribute to the birthday of Christ.

Leaders of the more than 20 congregations here welcome participation by newcomers to the community and to those here at present who have no church affiliation.

The three local Catholic parishes will hold traditional Christmas Eve and Christmas day masses. Father Richard Power will conduct the rites at Our Lady of Mercy Church in Westlake. At Our Lady of Perpetual Help Church, on Wellington avenue, Father James Bergin will be the officiant. Father Thomas J. Farrell is in charge of observances scheduled at Holy Angels Church in Colma.

Rabbi Solomon Shore will officiate at Chanukah rites on December 25 at Congregation B'nai Israel, 67 Los Banos avenue, and Cantor Harold Wachter will supervise a similar children's service the same evening at Temple Judea, 95 South Mayfair in Westlake.

Several Protestant churches have held pre-Christmas rites but many will have Christmas Day observances.

Hope Lutheran in St. Francis Heights will hold a choir-featured Christmas eve service at 11 p.m. this Thursday. Grace Presbyterian will have a Christmas eve candlelight ceremony at 11 p.m. followed by Christmas Day communion at 11 a.m.

The Rev. Allen Downey will conduct Christmas Eve rites at St. Martin's Episcopal Church in Westlake, starting at 11:30 p.m. Bethel Lutheran will have Christmas Eve observances at 7:30 p.m. and Christmas day rites at 10 in the morning, with Rev. Herbert Schroeder in charge.

Westlake Community Baptist's special Christmas Eve ceremonies will begin this Thursday at 7 p.m., reports Rev. Lynn Hodges.

Ninth Church of Christ Scientist will have a pre-Christmas testimonial service this Wednesday evening at 8 o'clock.

Pastors of local churches not already mentioned earlier submitted stories on holiday services for publication. In a few cases ministers could not be reached prior to early press deadline.

Westmoor Bank Slippage May Go To Court

A court suit may be the only means of fixing responsibility on the slipped east bank below Westmoor High School's practice football field.

High school trustees and Callan Company are awaiting plans and specifications from Lee and Praszker, soils engineers hired by the school district, approximating how much it will cost to correct the situation.

Insurance representatives of both the school district and Callan Company refuse to accept full liability for the slippage.

The soils engineers after extensive tests informed the school board earlier that the problem was directly caused by grading on Callan-owned land below the bank.

TOT BITTEN BY DOG TREATED AT HOSPITAL

Four-year-old Pamela Nelson, 83 Shakespeare street, was treated at Junipero Serra Hospital Thursday evening after being bitten on her right hand by a dog.

Mrs. Stella Nelson, her mother, notified police who sent Officer Tom Culley. Culley drove the girl to Junipero Serra Hospital. He also sent a copy of his report to the SPCA.

Trustees Schedule Freeway Meeting

After an hour-long discussion last Monday, Jefferson Elementary School District trustees decided to hold a special study session to gain more information on the freeway outlook and determine what they would recommend as a board. The meeting will be held Monday at 8 p.m.

The school representative will present the board's policy at Tuesday's city freeway meeting at City Hall.

Vista Mar PTA Hosts Parties

As a climax to the Christmas season, the Vista Mar PTA gave Christmas parties in each of the classrooms. In some rooms student talent provided the entertainment. In many rooms games were played and carols were sung. Refreshments were provided by the PTA.

Garden Village Kids Give Santa Claus Overseas Packages

Santa last week visited Garden Village School, not to give presents, but to receive Junior Rod Cross boxes to be mailed overseas for needy children.

For the past three weeks, the children have been saving their allowances to buy small articles to fill these boxes. At last they were filled to the brim, and duly packed and wrapped in gay paper.

The climax came on Monday, when the whole school met in the patio to sing Christmas songs around the great Christmas tree. As each class sang, some of the children hung their decorations on the tree, and presented the Red Cross boxes to Santa.

Hit By Auto

Gentner Knoop, 20, of 81 Crestwood drive, Apt. 21, was treated for bruises and a back injury at Junipero Serra Hospital last Tuesday afternoon and then released.

He sustained the injuries after being struck by an auto driven by Bernard J. Allbrecht, 32, 83 Fairway drive, at South Mayfair avenue and Fairway drive, according to the police report. Allbrecht, a route supervisor for Wonder Bread Bakery, told Officer Richard deLosa the man walked in front of his auto when he was making a turn into Fairway drive.

Knoop, a machinist for Hubert Tool Works of San Carlos, said he did not see the car until it hit him. No citations were issued by deLosa pending more investigation.

Let's Keep Christmas

. . . a holiday message

By Rev. Vernon E. Thomas

Broadmoor Nazarene Church

Let's keep Christmas for what it is. It is a star . . . it is a baby . . . it is a mother's prayer . . . it is an Angel's voice . . . it is a dream come true . . . it is the hope of the world . . . Peace on earth, good will toward men.

There is so much said about the commercializing of Christmas. This point is well taken, for there are those who think only of Christmas as a time of profit by dressing up their commodity as the gift to be given. Some things that Christ would not accept himself, so how can they be given in His name? Anything which destroys human personality can not have the blessing of the Saviour.

However, with the commercialization of Christmas there has come the many fine things that happen . . . groups of people remembering those in need . . . the Christmas Story is told again to thousands . . . the carols which tell of the Saviour's birth again go out of juke boxes and are heard in department stores. These all tell us that if the Saviour had not been born we would have had none of this.

In spite of what is monetary, we catch the wonder in the face of the little child as she looks at a manger scene . . . the anticipation that awaits in the heart of the child as he dreams of Christmas morning. In these little hearts is the sense of awe and wonderment which must be present in true worship and in the understanding of things of the spirit.

Let's keep Christmas alive in spite of all the commercialization of it. Keep the hope, faith, the love of which Christmas speaks. Keep the ability to believe in the angel's song, the mother's love, the baby's beauty, the shepherd's devotion. The promise of a Saviour has become a reality if we can just believe God's Word to us. May we never lose Christmas out of our hearts, for if we do we have lost God's greatest gift to us.

Is 'Westlake' Incorrect?

BISMARK STREET HOUSEWIFE DEFENDS 'DALY CITY' TITLE

Dear Mr. Bradshaw:

For the second time since we moved here almost five years ago someone wants to change our city's name. They don't know that Daly City was named in honor of John Daly, who was one of our city's founders.

Daly City is a fine name and I hope they never change it. Before we moved to Daly City I had always lived in San Francisco. I have never been sorry that we moved to Daly City.

I remember when we called Westlake "Pneumonia Gulch" and it was just a big cabbage patch — and that wasn't very long ago. As far as I know, the only "lake" near Westlake is Lake Merced which is in the city and county of San Francisco. Daly City is in San Mateo County. Lake Merced is north of Westlake, so why didn't they name it Southlake — which really makes more sense.

As for Plaza, take a look in the phone book and you can find all kinds of exchanges. Some are worse sounding, but I don't think any sound better.

The homebuilders are only interested in making sure you know the name of the subdivision where they are selling homes. Many people have bought homes not knowing the name of the city or town they were in.

When we bought our home we knew it was in Daly City, and that was fine with us and still is!

Yours truly,
Lillian Glover
191 Bismark street
"Daly City"

Approach all intersections with caution, advises the National Automobile Club.

State Freeway Expert Guest Of Lions Club

Daly City freeway routes proposed by the state will be discussed by J. A. Spence, assistant state highway engineer, on Wednesday, December 30, when he appears as guest of the Daly City-Colma Lions Club. The session begins at 12:10 p.m. at Val's Redwood Room on Junipero Serra.

Spence has served with the State Division of Highways for 30 years. A question- and- answer period will follow his presentation.

Aicardi, Schmidt End Navy Training

Donald V. Aicardi, son of Mr. and Mrs. Damiano Aicardi, 221 Hillside boulevard, and Douglas W. Schmidt, son of Mr. and Mrs. Albert E. Schmidt, 98 Templeton avenue, graduated from recruit training December 11 at the Naval Training Center in San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

DRIVERS' LICENSES

A total of 7,771,812 drivers' licenses were outstanding in California as of August 31, 1959, reports the National Automobile Club.

Fatal Accidents Higher During Holiday Season

Captain John W. Kennedy, commander of the California Highway Patrol's office in Redwood City, today appealed to all motorists to drive with extra caution during the coming holiday season.

"The tragedy of a fatal traffic accident, great as it is throughout the year, is magnified when it occurs during the Christmas season," Captain Kennedy declared. "Any traffic officer who has had to inform a person that a loved one has been killed in an accident knows what this tragedy means. But he doesn't know it nearly as well as do the victim's loved ones."

The highway patrol official said he has completed plans for a maximum enforcement program during the holidays. His officers, he emphasized, will pay particular attention to the more hazardous, accident-causing violations.

"Excessive speed and right-of-way violations are two of the most frequent causes of traffic accidents. We will be especially alert for these infractions," Captain Kennedy declared.

"We will also be attentive to those drivers who have been drinking, because we want to get them off the highways before they get themselves and others into serious trouble."

'Longest Haircut' In History Here?

One of the longest haircuts on record was reported here last week when an air force man on leave and staying at his sister's Westlake home walked out to get a haircut.

Margaret A. Barr, 34, Carmel avenue, said her brother, Francis L. McAuliffe, 43, told her he was going to get a haircut Tuesday afternoon. When he didn't return she became worried and notified Police Officer Les Bastedo. The following day she informed Bastedo that she finally had located her brother in Vallejo.

Westmoor Coach Goes To Altar

Westmoor lightweight basketball coach Byron Van Alstyne deserted the bachelor ranks last Saturday.

The 34-year-old former USC star and Miss Doris Rehal were married in Occidental, California. The bride is an x-ray technician who lives in San Francisco.

Palisades Man Hurt In Kitchen

James Bartel, 43, of 241 Palisades drive, slipped on the kitchen floor at his home, accidentally breaking an ash tray he was carrying and cutting the left forefinger and palm of his hand.

Officer Philip LaBruzzo arrived at the residence at 8:20 p.m. Thursday and drove Bartel home after he was treated at Junipero Serra Hispital.

ATMOSPHERE was solemn Friday when three city councilmen met with department heads to discuss "economy measures" necessary to avoid an estimated $171,935 deficit in the general fund by next July. No new personnel can be hired this fiscal year, a few employees may be released, and a tax hike is inevitable next year.

THE RECORD photo

ACOUSTICS BAD

Small Audience Enthusiastic About 'Phoenix Too Frequent'

By Leonore Brewer

The Improviso Touring Theater Company of San Francisco paid its first visit to Daly City on Saturday, December 12, presenting Christopher Fry's comedy "A Phoenix Too Frequent" at War Memorial building.

It was greeted by an undeservedly small audience which did its best to make up for its size by its enthusiasm. There were times when its enthusiasm got a little out of hand as it greeted with wild guffaws lines or situations which called for sly chuckles.

"A Phoenix Too Frequent" requires only three players: the grieving wodow played by Ruth Rideout, her maid, Sandra Archer, and a young soldier, played by William Graham. Reduced to its barest essentials, "Phoenix" tells of the triumph of love and the love of life over grief and the desire for death.

Since this little company has received favorable notices elsewhere, we are going to assume that it was the fault of the acoustics and not of their delivery which prevented our understanding more than about two or three words out of ten. With straight drama or comedy, this wouldn't have been too bad, but with Fry's poetry to contend with, it made for a pretty impossible evening.

As is customary with most small companies, production values were high, and one looks forward to seeing them again. One thing is certain, if Daly City is to become the scene of little theater work, something better than the Coral Room at the War Memorial building is going to have to be found.

Dick Liberty Co-Chairman Of Heart Drive

Richard F. Liberty, of San Bruno, has been appointed North County business and professional Heart Fund co-chairman for the San Mateo County Heart Association.

Liberty is the clerk of the municipal court for the Northern Judicial District in South San Francisco, presided over by Judge Charles Becker, a Daly City resident. Liberty is a member of the Elks, Knights of Columbus, the Eagles, and the Serra Club of El Camino. He attended University of California and University of San Francisco, and holds a BA degree from Clark University in Worcester, Massachussetts.

DICK LIBERTY
. . . leads drive

He will be working with Leo J. Ryan of South San Francisco, whose appointment was announced last week. Both Ryan and Liberty will be making city chairman appointments for San Bruno, South San Francisco, Daly City, Bayshore City, Geneva, Brisbane and Colma.

"In this first year of personal fund-raising for the Heart Association, the need for volunteers from the business and professional groups is very urgent," Liberty said. "Adequate funds for heart research will help conquer our number one killer, which took one out of every two lives in San Mateo county last year. It requires both an earnest volunteer group and a willing business community to accomplish the heart objectives."

Westmoor Athletes Remembered 'Ron'

Westmoor's track team not only has plenty of wind but a big heart. The cindermen donated $15 towards a floral piece for funeral services of Ron Arrilaga, Hillsdale trackman who died last week. Arrilaga suffered a severed spinal cord in a recent auto accident.

IN OPERATION BY '65

Background On Rapid Transit Proposal In Five Bay Counties

The five-county District was created by act of the State Legislature in 1957, following a six-year study conducted by a predecessor fact-finding organization, the Bay Area Rapid Transit Commission.

Its support is derived from a tax levied uniformly throughout the District.

It is governed by a 16-member board of directors who are appointed by the boards of supervisors and mayors of the five counties which make up the District—Alameda, Contra Costa, Marin, San Francisco and San Mateo.

Its operations are directed by an appointive general manager and his staff which includes a chief engineer, information director, economic analyst, general counsel and secretary.

Purpose of the staff is to prepare, with the aid of outstanding private consulting firms, detailed plans for a modern regional rapid transit system to serve residents of the Bay Area.

The plans are expected to be completed in May, 1960, and then must be submitted to the boards of supervisors for approval. Afterward, voters throughout the District will be asked to vote on a bond issue needed to finance the project.

Anticipated cost of the proposed rapid transit system is between $500 million and $700 million.

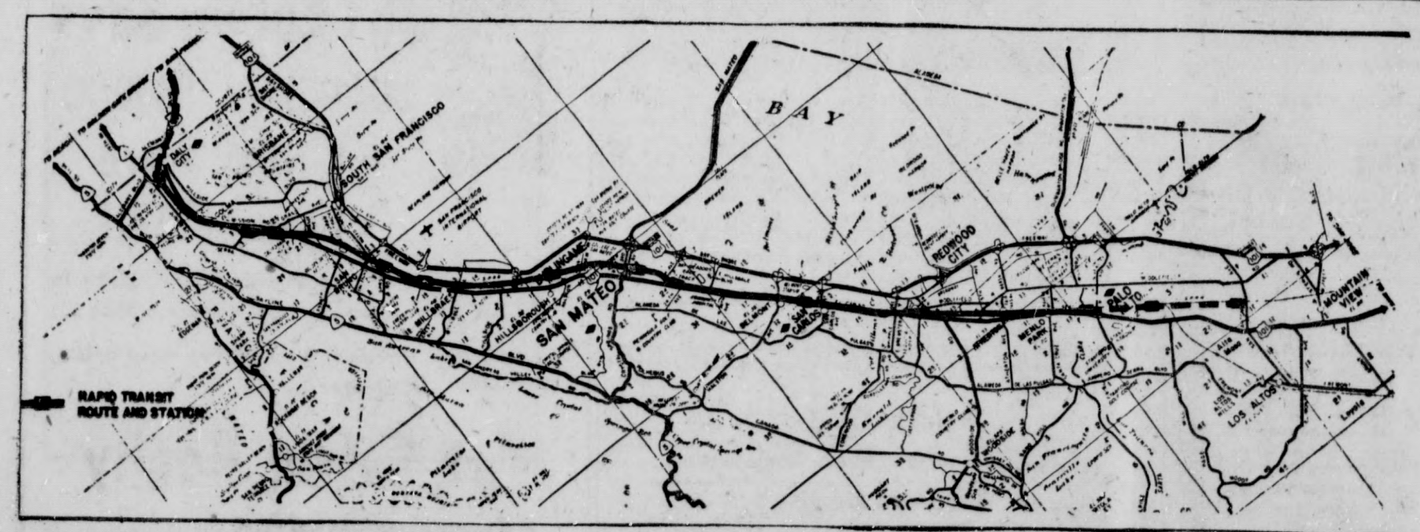
The system will consist of a 125-mile rail network on exclusive rights of way, utilizing subways, aerial structures and a trans-Bay underwater transit tube.

Over this network will run 70-mile-an-hour trains which, with 90-second intervals and limited stops, will be capable of carrying 30,000 seated passengers per hour per track.

The electrically - powered trains will be the most modern in the world and will stress quiet operation and passenger comfort. All types of transit vehicles are under study for possible use.

The proposed system, if authorized in the November 1960 election, could be in operation by 1965.

The District's act calls for the later annexation of Napa, Santa Clara, Solano and Sonoma counties.



ABOVE map shows the tentatively recommended route for the proposed 29-mile Bay Area rapid transit system in San Mateo County and the Peninsula. The 29-mile route was determined by consulting engineers for the five-county Bay Area Rapid Transit District, and is subject to further study and alteration. A joint study also is being conducted by the District and San Mateo County to determine the possibility of building the transit system at grade level in this area through elimination of all automobile grade crossings.

AROUND TOWN

By ROY HURLBERT

'Tis the season to be jolly . . . unless you're a Daly City councilman and have the final "say" on how to fight the state on undesirable freeway routes.

All five councilmen pray the city freeway committee will be solid in agreement when the state holds the adoption hearing in South San Francisco.

Daly City's problem isn't peculiar. The state is used to protests—but the routes must go through.

Two of the happiest guys attending the city freeway meeting last week (an uproarious affair) were a pair of state highway engineers. They said little and observed much.

If the city freeway committee remains split come hearing time, the state's job is that much easier.

●

Filling in for Frank Blum as a judge in the Westlake Christmas decorations contest Friday night, we were impressed by the spirited efforts of many homeowners. Some of the best-devised displays were ineligible because their originators failed to sign up for the competition.

It's unfortunate a similar contest isn't sponsored each year on the east side of town. "Old" Daly City has some particularly proud residents and just as much spirit as the Westlakers.

Some of the east-side decorations we've seen, like the all-chickenwire tree on East Vista avenue, certainly are deserving of recognition.

●

Next Monday night's city council meeting might produce some additional big news—the resignation of Public Works Director Otis Calhoun.

Calhoun has been told by the council that they prefer a new man to head the department and even a "re-evaluation" of the public works office.

The cards stacked against him, Calhoun figures another job elsewhere would offer him more professional security.

●

If you don't think citizens are concerned about their neighborhoods, please attend next Tuesday's freeway committee meeting at City Hall.

The big issues bring folks out in droves. But most of the time the public is just plain lazy when it comes to participation in local government.

●

They'll be off and running—beginning next month—in the campaigning for the Daly City council election in April.

Last election for three seats brought 11 candidates. Two jobs are at stake this time and the going figures to be pretty rough.

The speeches start in earnest after the holidays. Lend them your ears!

●

High school superintendent Ed Morgan, a gentleman all the way, couldn't have issued a more appropriate holiday message to his faculty and staff.

He quoted thusly from Ben Franklin, a printer of sorts:

"Let no pleasure tempt thee, no profit allure thee, no ambition corrupt thee, to do anything which thou knowest to be evil; so shalt thou always live jollily; for a good conscience is a continual Christmas."

Amen, so be it, and please root for the Washington Huskies in the Rose Bowl. They'll need all the help they can get.

●

Our heartiest Christmas message goes to the Daly City police department which needs a new sergeant and two new officers something awful. There's just no money available, and Santa Claus isn't in the personnel business.

●

And finally, a wee story.

Gertrude Harmon's two-year-old daughter in Westlake was thrilled to death about seeing Santa Claus — the night before Christmas, she hoped.

Santa knocked at the Harmon home a few days early. The tot was so scared she screamed and ran to her room, locking the door.

Mrs. Harmon finally answered the bell, and since Santa didn't find the little girl, he wished Mrs. Harmon a merry Christmas.

Yes, there is a Santa Claus!

Elementary Teachers Display Talent In 'Tutors Review' Here

The Jefferson Elementary Classroom Teachers presented the "Talented Tutors Review" on December 16 at Colma School.

Before co-workers, an audience of approximately 175, the teachers tooted, danced, acted, and performed several hair-raising melodrama. Mrs. Florence Fennessey, talent chairman; Helen Cordell, decorations, and Rosalie Zarzana, refreshment chairman, presented a show appreciated by all.

Lt. Robert Roddy, Of Westlake, Now At Germany Base

Army 1st Lt. Robert E. Roddy, 26, son of Mr. and Mrs. Carroll J. Roddy, 980 Southgate avenue, recently arrived in Germany and is now a member of the 29th Transportation Battalion.

Lieutenant Roddy, a maintenance officer in the battalion in Boblingen, entered the Army in 1956.

Roddy is a 1952 graduate of Serra High School and a 1956 graduate of the University of California.

Westlake Christmas Contest Winners . . .

Competition was so close for top awards that the judges held another special session Monday night to determine winners in Westlake Subdivisions Improvement Association's annual Christmas Decorations contest. Names of the victors will be announced by the association late this week and will be published next week.

THERE were a few empty seats but not many last week when Daly City's freeway committee met at City Hall. Unless the committee is in accord on a plan of action by January 13, the state won't have much opposition in adopting the routes here "it" wants.

THE RECORD photo

PHILIP WEIGAND GRADUATES AS MARINE OFFICER

Graduated December 5 from the 25th Officer Candidate Course at the Marine Corps Schools, Quantico, Virginia, was Philip S. Weigand, son of Mr. and Mrs. John W. Wiegand of 386 Higate drive, Daly City.

Hhe is a graduate of Stanford University.

Horse-riding Fall Injures Man Here

Walter R. Reynolds, 32, of 2488 Bryant street, San Francisco, was treated at Junipero Serra Hospital for a compound fracture of the right arm Thursday evening after he fell off a horse at Lakeside Stables.

Officer Phil LaBruzzo said he saw Reynolds leaning against a hitching post, bleeding from the right arm and right temple when he arrived. The M&D Ambulance took Reynolds to the hospital.

Redwood City PAL Follows DC's Example

Success of the recent Daly City Police Athletic League benefit bowling tournament has been certified. The Redwood City police department has patterned a benefit tourney after it.

Starting last month and running through January 25, the tournament at Redwood Bowl has open competition for men and women bowlers in handicap and novice divisions.

The prize list includes such items as a refrigerator, a washer, a portable TV and a three-day expenses-paid junket to Las Vegas. Prizes are assured for at least one of every 10 entries.

Openings In Adult School Driver Class

Director Lou Martin of the Adult Evening School announced today that there are openings in the Driver Education classes which start on Monday, January 11. Classes will be offered at Westmoor and Jefferson High Schools each Monday evening for a period of seven weeks.

In class, students will discuss the mechanical driving practices, responsibilities of the car owner, California Vehicle Code, traffic ordinances, and issuance and preparation for driver license examination. Following this required class will be Behind - the-Wheel training, which is taken by appointment only. The fee for Driver Education is $1, and the fee for five driving lessons is $12.

Be sure to call PL 5-1162 for registration.

Safeway Gives Service Awards To 15 Workers

Fifteen veteran Bay Area employees of Safeway Stores last week received special awards at a luncheon honoring their 385 years of service.

Quentin Reynolds, Safeway's San Francisco Division Manager, made the presentations before an assembly of his staff and other employees. The service awards, for employees serving with the company for periods of 25 and 30 years, ranged from gold watches, U.S. Savings Bonds, and mantle clocks to diamond-set insignia.

Distinguished among the recipients was Herbert Falk of Daly City, now a foreman in Safeway's Grocery Warehouse in Richmond. Falk started his career with Safeway in 1934 as a warehouseman. He was promoted to foreman of the Grocery Warehouse Prepacking Department in 1943, and to his present position in 1954.

Falk and his wife, Laura, reside at 71 Maywood avenue, Daly City.

As each of the honored employees received their awards at the luncheon their service with the company was briefly reviewed by Reynolds who cited each as outstanding examples of faithful service.

Those receiving awards in addition to Falk were: A. Douglass, V. Webber, B. Meredith, A. Fleming, F. Souza Jr., C. Aldor, F. L. Gardner, P. Marvin, J. E. Skocko, J. Anderson, A. Webb, P. Reasor—25 years each of service; D. Dean and I. Gorssline, 30 years each of service.

OLYMPIA KIDS ENJOY FESTIVE XMAS PROGRAM

The boys and girls at Olympia School presented their second annual Christmas program Monday night. The Olympia multi-use room and the adjoining court were crowded with parents and friends when the kindergarten children began the program by singing the "Greeting Song," "Up On the Housetop," "Three Little Jingle Bells, and "Twinkle, Twinkle, Hanukah Lights."

Mrs. Snell's first grade class sang "Jingle Bells" and "Merry Christmas," followed by Mrs. Fox's first grade boys and girls who sang "Oh Tannenbaum" and "I Wish You A Merry Christmas."

Mrs. Price's second grade-children played "Jolly Old St. Nick" on song flutes. They also accompanied Miss Randisi's class in singing "Deck the Halls" and "Silent Night." Deborah Grossman and Victoria Vasey played solos on the bells.

The third and fourth grades rhythm band played "Sleigh Ride."

The program closed with the third and fourth grade glee club directed by Mrs. Patricia Hackett singing: "Christmas Bells," "Winds Through the Olive Trees," "Bom, Bom, Bom," "Round the Xmas Tree," Song," "I Have a Little Dreydl," "The 12 Days of Christmas," "Jingle Bells," and "O Come, All Ye Faithful." On the song "Bom, Bom, Bom," soloists from the rhythm band were: Autoharp—Anthony Nocita; Drums—Michael Adelson, Randy Jensen, and George Poulos.

Mrs. Lorraine Saltzman, Mrs. Helen Demarest, and Mrs. Patricia Hackett were pianists for the program.

Post Office To Handle Most Mail Ever

Postal authorities in Washington estimate the current Christmas mail, on a nationwide basis, will be the highest on record both for greeting cards and parcels, Postmaster Vincent P. Murphy of Daly City announced today.

These conclusions are based on samplings of postal receipts made in several major cities across the country which show anticipated increases of two to five per cent over last year.

Postmaster Murphy called attention to the recent action of the Civil Aeronautics Board which approved Postmaster General Summerfield's plan to make use of surplus space on commercial planes to speed the movement by air of first-class mail during the Christmas rush.

Local mailing conditions, Postmaster Murphy stated, show an early mailing in response to pleas of postal officials, plus an expected increase of five per cent in the mails.

The Post Office Department once again plans to deliver all Christmas mail prior to Christmas day as it has for the past several seasons, Murphy noted while urging local mailers to cooperate with the Post Office Department by mailing Christmas cards and packages early and often.

DC Women's Club Has Xmas Party

The Women's Civic Club of Daly City held its Christmas party for members last Thursday, with President Mrs. Julia Byrne acting as hostess.

Gifts were exchanged and refreshments were served. Xmas-wrapped packages of candy were sent to a local sanitarium.

REGISTER NOW!

SOUTH SF ADULT EDUCATION COURSES TOTAL RECORD 54

The South San Francisco Division of Adult Education is now accepting registrations for its winter semester, Director Robert Keropian announces. Fifty-four classes are being offered Monday through Thursday evenings with a record enrollment already established. Many new courses have been added to the curriculum.

New courses in Business Education, Industrial Arts, Parent Education, Arts & Crafts, Science, Mathematics, Languages, and Music have been added. Many celebrities have joined the instructional staff. Samuel Johns, nationally famous chef who has cooked for President Eisenhower, is currently teaching Continental Cooking on Wednesday evenings from 7 to 9. Mrs. Joan Suzuki, well-known floral expert in the Bay Area, is conducting a class in Oriental Flower Arranging on Monday evenings from 7 to 9.

Japanese Brush Painting is currently being offered on Thursday evenings from 7:30 to 9:30 and is being sponsored by the famed Mr. Mikami, who has been featured on station KQED-TV and other channels throughout the United States. Miss Hope Robbins, national celebrity who has appeared on both the Ed Sullivan and Jerry Lewis shows, will conduct a special class on Beauty and Hair Styling.

Fifty-four classes consisting of everything from Business Education and Industrial Arts courses to Foreign Languages, including Conversational Russian, are now being offered at South San Francisco High School. Registration for any of the courses can be made Monday through Thursday evenings between 7 and 10 p.m. at South San Francisco High School. Additional classes will be added by request if a minimum of 15 people make application for the same course. A complete schedule of all 54 classes is available at public libraries or at the South San Francisco High School office.

Hillside PTA's Christmas Meet Goes Over Big

Hillside PTA, covering Colma K-6 and Colma Intermediate schools, held their Christmas meeting last Thursday evening in the multi-use room of Colma school.

The meeting was opened by President Don Lesher. Mrs. Dorothy Hillman's Brownie Troop 152 presented the colors and led the audience in the pledge to the flag and the singing of "America."

A check for $38.65 from the monthly ice cream was presented by Mrs. Bernice Meinzer, ways and means chairman. She also announced that there would be a spaghetti dinner on Wednesday, February 17, in the multi-use room of Colma school. Dinner will be served from 6 to 7:30 p.m. at a price of $1.50 for adults and 75 cents for children 12 years of age and under. Tickets go on sale in January.

Mrs. Connie, program chairman, turned the program over to Mrs. Eleanor Zenovich, principal of Colma K-6. The students of Colma K-6 then presented their Christmas program to a group of over 400 parents and friends.

On Friday, Santa Claus arrived at the school to distribute candy canes (donated by the Mothers Circle) to all the students. Each class party was assisted by room mothers, with ice cream supplied by the PTA and cookies and cup cakes donated by parents.

Bethel Lutheran Christmas Services Told By Schroeder

The Festival of Christmas will be observed at Bethel Lutheran Church, Alemany boulevard and Huron avenue, with a service of carols on Christmas Eve beginning at 7:30 o'clock.

Mrs. Willis Bredehoft, the organist and choir director, will play Christmas music on the organ and chimes. The Senior Choir will sing a number of selections. A brief meditation will be given by the Rev. Herbert P. Schroeder.

The Christmas Day Festival Service will be held at 10 a.m. Special music will be rendered by the organist. The Junior Choir, under the direction of Miss Gladys Schultz, will sing.

Misenar, Of Westlake, Elected To Bar Association Position

Max M. Misenar, 380 Lake Merced boulevard, Westlake, president of the San Francisco Chapter of the Federal Bar Association.

Misenar serves as an attorney with the General Services Administration.

Formed in 1919, the Federal Bar Association is a national professional organization for lawyers who are, or have been, employed in the service of the United States or District of Columbia.

California is the nation's second ranking state in mineral production.

Pastor From New Zealand Speaks Here

A Christmas Candle Light Service will be held at the Broadmoor Church of the Nazarene this Wednesday, December 23, at 7:30 p.m. After the service those attending will be invited to the parsonage for refreshments around the Christmas tree.

This Sunday after Christmas, December 27, special services will be conducted by the Rev. R. E. Griffith who recently returned from New Zealand where for nine years he has superintended the establishment of the Church of the Nazarene there. Prior to his going to New Zealand, Griffith served for a number of years as the pastor of Richmond First Church of the Nazarene.

Griffith will preach at the 11 a.m. service and the 7 p.m. service. In the evening service, he will show colored pictures of New Zealand. Griffith as a world traveler will have many interesting things to tell the audience. All are welcome to attend these services.

LEONORE Brewer of "Friends of the Library" and Elsie Garrison of Daly City Garden Club took time out from holiday planning to decorate Daly City's library branch on Mission street. Both groups joined in the project at both city library branches.

Ill Children Are Made Happier By Girl Scouts Here

Christmas caroling and doing small deeds to keep small children who are ill, happy has been the pet project of Daly City Girl Scout Troop 127.

Ten Scouts visited the children's section of the Shriners' Hospital in San Francisco, recently. They took 58 candy tray favors which they themselves had decorated with a Christmas theme and distributed them among the youngsters.

On Wednesday evening at 7 p.m., the same Girl Scout troop sang carols in nearby Daly City neighborhoods. One of the dads, Charles McArthur, transported the group in his truck. The youthful and joyous voices of the girls gladdened the hearts of many.

Last Friday, they held their annual Christmas party at the scout house on Parkview avenue. The girls had a dinner party, sang carols, and exchanged gifts. This is the third year they have held such a party.

Mrs. Mil Kraus is leader for troop 127 and Mrs. Earline Brown is assistant.

Cub Pack 244 Has Xmas Party

Cub Scout Pack 244 will hold their Christmas party at 7:30 p.m. on December 23 in the multi-purpose room at Colma School.

The telephone company has donated two films to be shown, "The Night Before Christmas" and "The Nativity." Den 1 will have a skit and sing Christmas carols and Den 3 will serve refreshments.

Handing out Christmas presents to the Cub Scouts will be Robert Dumont, Scoutmaster, and Sam Charvellera, assistant Cubmaster. Parents are also invited to the party.

Two new members, Gordon Steel and David Cavigalia have been welcomed into the pack.

Christmas Tree Fire Hazard Cited Again

A Christmas tree accidentally burned indoors can be a flaming funeral pyre, the National Safety Council said today.

"Filled with natural pitch and resin, the Christmas tree is one of the most combustible objects known — virtually impossible to extinguish by ordinary methods.

"When the needles fall," the Council said, "it should not be burned, branch by branch, in the fireplace, because the roaring fire is difficult to control. Nor should they be burned outdoors. Set them out for collection."

The Christmas tree tradition is a wonderful part of the season, the Council said, so keep it wonderful by observing these few precautions:

1—Buy a tree no bigger than you need. The larger the tree, the larger the fire hazard.

2—Wait to put it up until just before Christmas. Keep it in a cold place until then.

3—Saw off, diagonally, at least an inch of the trunk and place in a stand filled with water.

4—Place tree away from sources of heat such as TV sets, radiators, powerful electric lights, which speed up the drying process.

5—Use nonflammable decorations. Keep metallic icicles or tinsel away from light sockets. Dangling into the socket, they can cause short circuits or flash fires. Do not overload circuits, or replace normal fuses with oversized ones.

6—Use electric lights only. Be sure they bear the Underwriter's Laboratories label. Check for frayed cords, faulty sockets, loose connections. Provide a switch some distance from the tree to turn it on and off. Do not unplug tree lights underneath the tree.

7—Never use candles on the tree or around any combustible decorations.

8—Turn off tree lights before leaving the room or the house.

9—Don't operate electric toys, such as trains, beneath the tree. Arcs can ignite decorations or wrappings.

10—Use stool or ladder while trimming the tree. Let children decorate only lower branches. Don't smoke while trimming or dismantling.

11—Don't burn your tree, leave it in designated spots for collection.

'Golden Gate' Unitarian Unit Title Adopted

At their first annual meeting on December 13, members of the former Stonestown-Westlake Unitarian Fellowship voted to adopt officially the new title, "Golden Gate Unitarian Society."

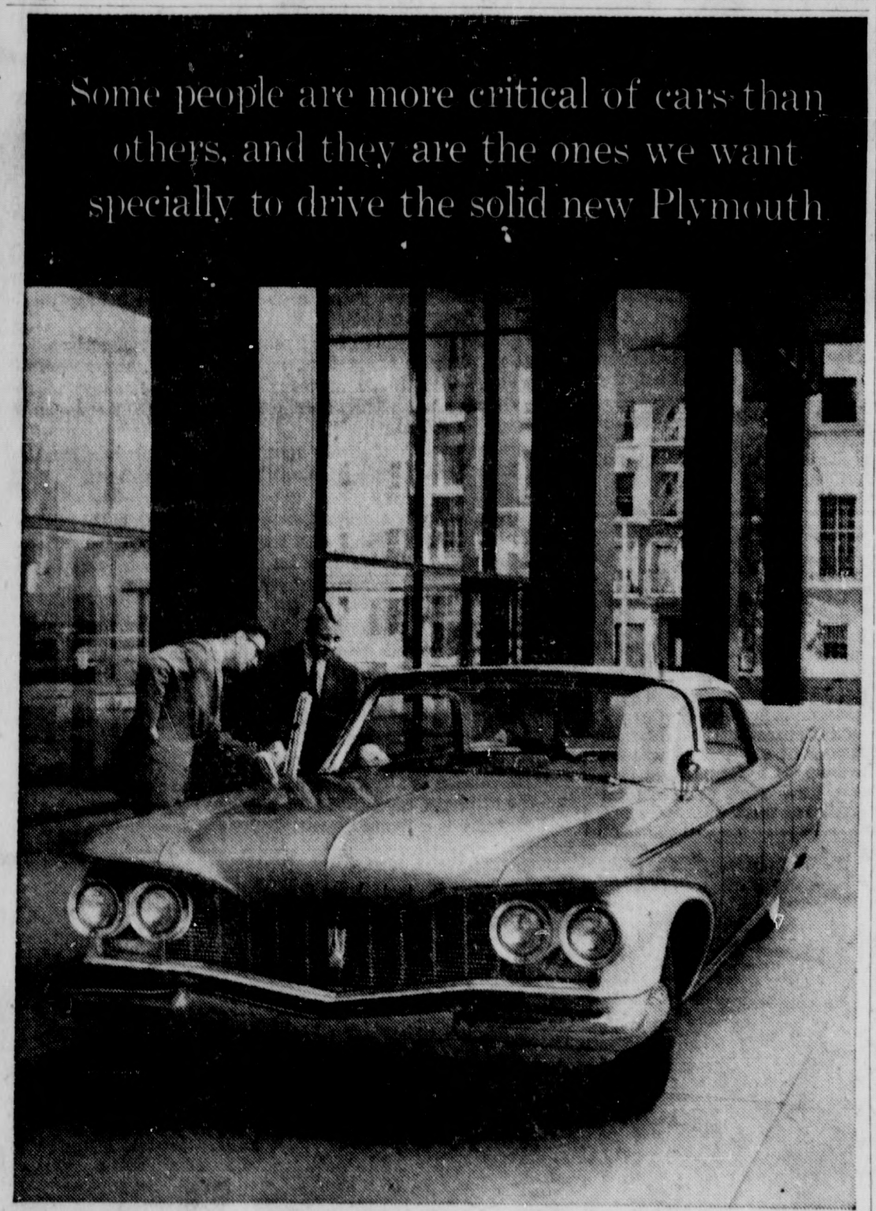
The organization's membership book is open for signature of those subscribing to the Unitarian faith and interested in affiliating with the Fellowship.

The board of trustees today announced these officers for 1960: President, Mrs. Jean Stenmark; Vice President, George Wilson; Secretary, Mrs. Liz Gianopoulos, and Treasurer, John World.

The Fellowship invites all friends to attend its holiday party on December 27 at 6 p.m. at Sunset Cooperative Nursery, 4245 Lawton street, San Francisco. This will be the permanent meeting site of Fellowship activities for adults and for the church school, which will hold its first classes on February 7.

For further information concerning the Golden Gate Unitarian Society, call Mrs. Stenmark, JU 6-4749, or Mrs. Gianopoulos, PL 5-6976.

Some people are more critical of cars than others, and they are the ones we want specially to drive the solid new Plymouth



This car is built a new solid way by Chrysler Corporation engineers. It simply doesn't have many parts that work loose and need fixing in some cars. We'd like to answer some questions about this car now:

Q. *What is this new way of building?*

A. Chrysler Corporation's virtually trouble-free version of unit construction. Body and undersills are joined in a single unit of enormous strength, locked by close to 5400 welds. In Dura-Quiet Unibody, there is no frame and no conventional body bolts, struts, braces, etc., to loosen and rattle.

Q. *What about power and performance?*

A. There's the new 30-D Economy Six, a new "inclined" six that delivers outstanding economy in normal driving. The standard V-8 is the Fury V-800 which three times in a row topped its class in the Mobilgas Economy Run. Or you may choose the extra-cost SonoRamic Commando V-8.

If you ask us, this is the best built, best performing low-price car of all. Give it a real try soon, won't you?

A Chrysler-engineered product, built a new solid way to give you solid satisfaction.

MARCHBANKS PUBLICATIONS

+ The Record + Daly City Shopping News + Westlake Times

3317 SAN JOSE AVENUE PL 5-3311

MODEL FALLOUT shelter of concrete blocks shows some of the equipment, supplies and living facilities that would be needed to remain under cover for up to 14 days. This is a basement type shelter adaptable to either rural or suburban homes. The 8-inch solid concrete block walls shown would give the same fallout protection as 12 inches of earth. Details on how to build and equip such a shelter are available by writing Box Home Shelter, Battle Creek, Mich. (OCDM Photo)

Army

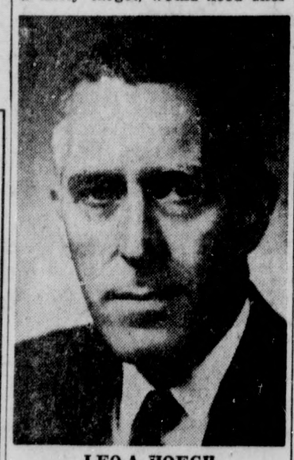
MISSILE "MEDICS"—Working under rigidly controlled conditions, technicians at Sperry Rand's Utah Engineering Lab., Salt Lake City, assemble critical components of the modern U.S. Army's SERGEANT missile. Dust and foreign particles at this stage could play havoc with certain parts of the SERGEANT—the Army's highly-accurate ballistic artillery missile with both atomic and conventional capability.

Army

PUZZLE: FIND THE JEEP—These soldiers at Fort Sill, Oklahoma, weren't out for a swim in historic Medicine Creek nor were they attacking a submarine on the landlocked post—just demonstrating the capabilities of the modern Army's jeep. Under them, the jeep is "swimming" down the creek at a good clip by using pipe at left as a breather and the one at right for the exhaust.

Hoegh Says Every Family Needs A Fallout Shelter

Civil and Defense Mobilization Director Leo A. Hoegh says "everyone, even those far from a likely target, would need shelter from fallout" in the event of an enemy attack.



LEO A. HOEGH
. . . most could be saved

In the introduction to "The Family Fallout Shelter," a publication of the Office of Civil and Defense Mobilization, Mr. Hoegh says: "In an atomic war, blast, heat and initial radiation could kill millions close to ground zero of nuclear bursts. Many more millions—everybody else—could be threatened by radioactive fallout. But most of these could be saved."

Mr Hoegh pointed out that the Federal shelter policy is based on the knowledge that most of those beyond the range of blast and heat will survive if they have adequate protection from fallout.

The OCDM booklet contains building plans for five basic fallout shelters. One is a do-it-yourself project with solid concrete blocks. Cost of the shelters ranges from $150 to $1500.

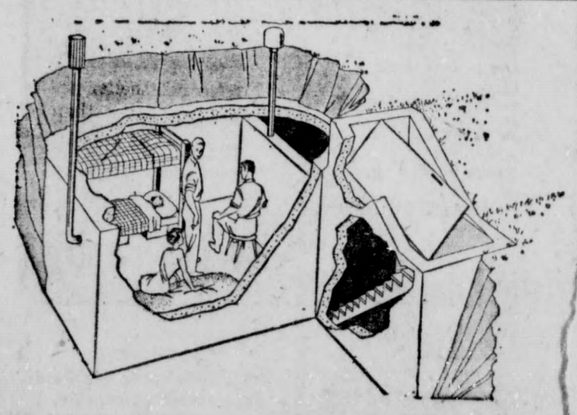
Copies of "The Family Fallout Shelter" may be obtained from local civil defense offices or by writing: Box Home Shelter, Battle Creek, Mich.

HOW TO SURVIVE—IF NUCLEAR WAR COMES

Substantial protection for families from radioactive fallout can now be developed through construction of simple home shelters. All of the illustrations used on this page are from "The Family Fallout Shelter," a publication of the Office of Civil and Defense Mobilization. Free copies of the booklet may be obtained by writing: Box Home Shelter, Battle Creek, Mich.

UNDERGROUND CONCRETE SHELTER

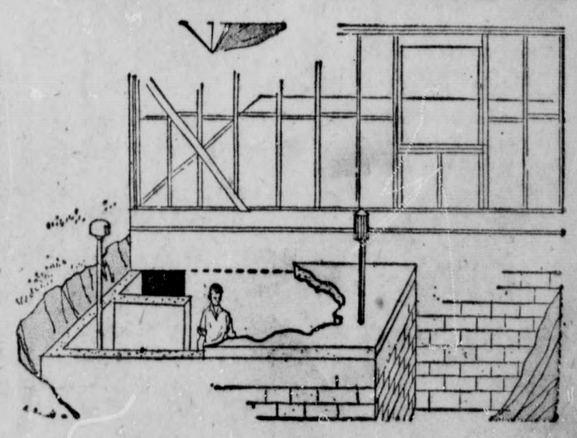
For Family Protection From Radioactive Fallout



AN UNDERGROUND reinforced concrete shelter like this can be built for about $1,000 to $1,500 by a contractor. The illustration shows the shelter with roof at ground level and mounded over. The same shelter could be built into an embankment or below ground level. For plans write: Box Home Shelter, Battle Creek, Mich.

FALLOUT SHELTER FOR A NEW HOME

For Family Protection in Nuclear War



ANOTHER type of shelter which gives excellent fallout protection can be built as an added room to the basement of a home under construction. It would add about $500 to the total cost of the home. The shelter illustrated here is based on such a room built into a new home in the Washington, D. C., area in the Spring of 1959. Important considerations for each type of shelter are: arrangement of the entrance, ventilation, radio reception and lighting. "The Family Fallout Shelter," an OCDM publication, contains plans for five basic fallout shelters. Copies may be obtained by writing: Box Home Shelter, Battle Creek, Mich.

Santa Claus 'Talks Toys' At Vista Mar

anta Claus greeted Vista Mar TA members at the school ntrance as they arrived for he Christmas meeting Tuesay evening last week and inted them inside to see a disay of some of the newest toys s well as the old favorites.

Mrs. Thomas West, Vista Mar TA president, introduced Mrs. live Roth, showroom manager or one of the west's largest holesale toy firms. She demnstrated the types of toys apropriate for children of prehool age through sixth grade.

Mrs. Roth indicated that selcting the right toy is complicated by the fact there are over 0,000 toy items on the market, ith about 5000 completely new oys added in the last year. pace toys and science kits are ome of the newest additions ut 59 year old "Raggedy Ann" till holds her own as on all-time favorite.

Mrs. Roth explained that toys are really a child's tools and careful thought should be given their selection. Even some of the simplest toys have several educational factors involved and the most common ones have endured because they satisfy the needs of the child.

Parents and teachers had an opportunity to examine and try out the toys during the coffee hour that followed the meeting.

Hostesses for the evening were the Mmes: Diane McKenzie, Bertha Blake, Marilyn Hecht, Bernice Belotz and Barbara Taylor.

RECIPIENTS of brand new bikes at Todd's Toys, 2899 Junipero Serra boulevard, last Wednesday were Jim Laramie, 57 West Cavour street, and Jim Hess, 508 87th street. Owner Rudy Solomon congratulates the boys on their good fortune. All persons who entered the store during the past three weeks of Todd's gala opening received free tickets for the drawing.

B'nai Israel 'Chanukah' Plans Told

Congregation B'nai Israel will honor all children born during the month of December during a special birthday service this Friday, December 25. Several of the children will participate in the service and they and their families will be treated to birthday cake during the Oneg Shabbat.

Members and friends of the Congregation will celebrate Chanukah at a "Latke" party on Saturday, December 26. The traditional potato pancakes will be accompanied by trimmings of apple sauce and sour cream. Dancing will round out the evening. The affair is jointly sponsored by the Congregation, Sisterhood and Men's Club and will be held in the Temple Social Hall. Donation is $1 per person.

Rounding out the Chanukah observances will be a Children's Chanukah Program on Sunday, December 27, at 10 a.m. The program will be held at the Daly City War Memorial Building and will feature songs, prayers and performances by the individual classes. Teachers of the Sunday School are the Mmes. Leon Benson, Morris Lurie, Harvey Katz, Isaac Goldberg and the Mssrs. Ralph Weish, Reuben Pinkus and Irving Wenger. The entire program is under the supervision of Rabbi Solomon A. Shore.

VFW Old Glory Post Initiates Two Newcomers

Old Glory Unit 2044, VFW Auxiliary, recently initiated two new members, Catherine Foreman and Lynn Fawcett.

Rehabiliation chairman Emma Porter and President Ann Walters recently took the VFW's adopted sister at Palo Alto Veterans Hospital on a shopping tour. They bought her a $50 wardrobe.

Pat Fawcett has been appointed Senior Citizen Chairman and is planning a program for all senior citizens over 60 years of age.

There has been a good turnout on the aprons. Sixty-seven have been turned in and 40 sold.

Plans are being made to hold the Past Commander and Past President's Dinner on March 12, the 28th anniversary of both the Post and Auxiliary.

July of 1954 is the new eligibility date for new members.

Temple Judea Sets Chanukah Family Service

A special Chanukah family service will be presented this week at Congregation Judea Temple House, 95 South Mayfair, Westlake, in which students of the Religious School will participate, with Cantor Harold Wachter officiating. Robert Stein will deliver a sermonette on the meaning and significance of Chanukah, and the following students will be the readers: Pamela Lent, Nancy Goldman, Paul Chernock, Linda Taylor, Rebecca Reese, Douglas Becker, Michael Hoffman, Ross Davis, Carol Landson and Sherrie Korn.

The Men's Club of Congregation Judea will present a New Year's Eve dinner dance at the Beef 'N Bird, with admission by reservation only at $16 a couple. A few reservations may still be available by contacting Mrs. Ralph Bardoff, OV 1-4564, or Mrs. Melvin Pincus, JU 4-5192.

Congregation Judea Sisterhood announces the following election of officers to fill vacancies on the board: First Vice President, Mimi Barbour; Second Vice-President, Eunice Coleman; Third Vice-President; Carol Herz, and Financial Secretary, Sally Stein.

The California School of Fine Arts at San Francisco, founded in 1874, is the oldest art school in the West.

Violette Brown Girl Scouts' District Chief

Mrs. Violette Brown, an eight-year member of the Girl Scout organization, takes office January 1 as district chairman for the next two years.

A capable and conscientious worker, she has helped the area Scouts in many ways:

In 1951, she assisted Mrs. Margaret Damon with intermediate troop 13. With the aid of the Sterling Park Home Association, she, as neighborhood chairman, started the very first Browne troop, with Mrs. Melda Brown as its leader.

Mrs. Brown started the first Intermediate troop in the section and was its leader for two years. She acted as First Mate for Mrs. Damon's Senior Mariner Ship 13, for four years.

She acted as Senior consultant, and also helped train the patrol for the first Girl Scout national Roundup in Michigan in 1956.

Mrs. Brown was overall chairman for the 1957 Scouts-in-Action program held in the Daly City War Memorial Building.

Betty Brown, her daughter, who is a 10-year Scout, acts as Junior Mate for Ship 13. She is a Jefferson High graduate. Son, Bill,also a Jefferson High graduate, is doing electronics work in the Marines.

Mr. and Mrs. Harold Brown live at 464 C street, Colma, and moved to this locality from Fresno in 1949.

ADULT SCOUT LEADERS SET FINAL MEETING

The last district meeting for the adult Girl Scouts, under the chairmanship of Mrs. Verona Williams, will be held at her home, 299 Bel Mar avenue, Daly City, on Monday, January 4, at 10 a.m.

At the close of the meeting, there will be a potluck luncheon for the old and new members. New district chairman, Mrs. Violette Brown, will be welcomed by the group.

OBITUARIES

MINNIE ALLEMAND

Funeral services were conducted last Friday afternoon at Naumann and Lincoln Mortuary, South San Francisco, for Mrs. Minnie Alice Allemand. Interment was at Golden Gate National Park Cemetery.

Minister was the Rev. James Flynn of Bethel Baptist Church of Brisbane. Mrs. Allemand, 37, died in Chattanooga, Tennessee, on December 12. She was the wife of Emil Allemand of Brisbane, and resided at 124 San Bruno avenue the past five years.

Born in Chattanooga, she was the daughter of Mrs. Myrtle Johnson. She is survived by 10 brothers and sisters in that state.

ELVIRA PERETTE

Mrs. Elvira Perette, only sister of Lawrence "Larry" Shaw, long-time Daly City resident at 9 Shakespeare street, died early Monday morning at Quincy, Massachusettes. A native of Italy, she was 83 years old.

Mr. Shaw, retired volunteer fireman and pioneer member of the Daly City-Colma Eagles, was planning to visit his sister next year on his 80th birthday. Larry's wife, Anna, died here last June.

Mrs. Perette is survived by many relatives in the New England city, including sons Larry and Art, a fire department lieutenant and city building inspector, respectively.

WESTLAKE MAN DIES DESPITE FIREMEN'S AID

Rudolph Joseph Schultz, 58, 130 Crestwood drive, apartment 9, was pronounced dead on arrival at Junipero Serra Hospital Sunday at 9:45 a.m. Resuscitation efforts of firemen were in vain, said Battalion Fier Chief Wayne Alexander. Cause of death was not immediately determined.

MARY HANSON

Funeral services were conducted December 17 in Watertown, South Dakota, for Mrs. Mary Yvonne Hanson who died last week at St. Francis Hospital in San Francisco after a lengthy illness.

The 43-year-old woman lived at 602 San Diego avenue with her husband, Lowell M. Hanson, the past two years. A native of South Dakota, she came to California seven years ago. Interment was at St. Mary's Cemetery in Watertown.

MRS. VIOLETTE BROWN

Vista Grande, Thornton Kids Fete Christmas

By Eve Liberato

The western slope of San Bruno mountain resounded with joyous caroling on the night of December 17 as the children of Vista Grande and Thornton schools presented their "Christmas All Over The Earth" program to a full house of parents and friends at Vista Grande School.

Garbed in white choir-boy collars and holding red candles, the first graders sang, "I'm Dreaming of a White Christmas." The audience was pleasantly surprised when second graders, after singing "The First Noel," played the carol with bells.

Another highlights came with the entrance of a tribe of Indians, portrayed by second and third graders. To the perfect beat of a tom-tom played by Dick Berry, they sang and pantomined their Indian carol, "Jesous Ahatonia."

Germany was also represented. The fourth grade class entertained with the play, Christmas In Germany," after which third graders sang "O Tannenbaum" in both German and English.

Under the direction of Mrs. Claire Ballou, young actors and actresses from Thornton School presented "Christmas Comes To Hamelin," a play featuring dancing dolls.

Pack 248 Gives Canned Goods, Tree To Needy Family

The spirit of good cheer and goodwill to all was expressed by Cubs of Pack 248 Thursday night at their Christmas pack meeting.

Each Cub filled a box with canned goods and decorated a Christmas tree with ornaments made in his den. At the end of the evening the food and tree were delivered to a needy family for their enjoyment during the holidays.

Carol singing was led by Den 2. Santa Claus appeared with gifts for the Cubs and their younger brothers and sisters.

NEW BROWNIE UNIT'S FIRST HOLIDAY PARTY

Happy little Brownies held their first Christmas party as a Girl Scout unit last Thursday at the Parkview Scout House.

New Brownie troop 63 is under the leadership of Mrs. Terry Brown.

As a part of their project, the girls made gifts of tile plaques for their mothers, and calendars for their dads.

The 18 small Girl Scouts had great fun playing games, singing songs, and exchanging gifts. The mothers who assisted Mrs. Brown were, the Mesdames La Verne Elliott, Eileen Selmi, and June Williams.

SPORTS SPIN

By LOU LUCIA

YOU'RE NOT DOING IT RIGHT: Tony Giammona not only has four left-handed cagers on his varsity Westmoor basketball team, but two reserves who pump from the left side. If Dick Reese should go in for Clark Beerman, and it is easily possible as Reese is sixth man, the Ram floormen would all be southpaws. In addition, reserve Jim Mannion favors the left side. How many teams in the country could field an all left-handed team outside of Westmoor? Most don't even have one lefty. The West is on the left side of a map as you look at it. Maybe the school should change its name to Leftmoor — especially since Pacificans will soon depart.

* * *

DOUBLE HEX WITH A TRIPLE WHAMMY: Varsity basketball coach Mike Orlich declared that Westmoor had never beaten one of the teams he has coached in the past four years. When did he say that? Two days before the Peninsula League opener against Westmoor. Who won? Westmoor, natch.

* * *

THEY MADE MISTOOKS: The announcer at the Minneapolis-Syracuse cage game made a dilly of a slip. To quote, "For those of you who do not understand the professional rules I will clarify . . . there are 12 four-minute quarters . . ." (Four 12-minute quarters, my friend.)

One radio station is noted for their enthusiastic reporting. The announcer broke in with a sports flash one late Monday evening. "Davey Moore moved successfully into the lightweight class by knocking down his opponent in a non-fitle tight." Actually, there was plenty of action and neither boxer was "tight.")

* * *

MAKINGS OF A PRO FOOTBALLER: If J. B. Berry of Jeff's basketball team doesn't turn to football he may miss the chance of playing pro ball. It seems you need initials nowadays to make the grade. Look at the 49ers with a C. R., Y. A., J. D. and R. C. The Bears have a J. C. (Caroline), and almost every club has at least one. Welcome to the fold, Indians of Jeff High.

* * *

NO RUMORS BUT: The rumors of R. C. Owens joining the pro basketball circuit have died down. However, kangaroo-legged Owens was a bench-side spectator at the Minneapolis-Syracuse pro game here.

* * *

FOUR PLUS ONE EQUALS O: Last week we wished Jeff 130 coach Rick Warne four more Tony DiVirgilio's for his team. If he had four others he wouldn't have a team. DiVirgilio had quit the squad earlier. His reasons for calling basketball to a halt are not known but Jeff may miss the All-Peninsula League returnee.

* * *

JOE McGRATH, Jeff High wrestling coach: "We didn't take part in the novice boxing tourney for many reasons. First of all, a coach works from 8 a.m. to 6 p.m. during the week and I'm willing to give my time during that period. However, it is foolish to have matches as the novice tourney on a Saturday. Other teachers aren't asked to work on Saturdays so why should coaches be? Second, many of the boys on the wrestling team are 7th Day Adventists and cannot partake in any athletics on a Saturday. Third, an awful lot of the boys have weekend jobs and can't get away to wrestle.

Do it yourself!

Reese's 'Sudden Death' Jumper Gives Rams Win

Dick Reese's jump shot from the foul line gave Westmoor a 46-44 sudden death double overtime win over San Rafael last Friday at the Rams court.

The win gives the Rams a 4-3 practice season record with two games left before Peninsula League action starts on January 8. Westmoor meets Galileo at Kezar at 3 p.m. this Wednesday and then faces Lick Wilmerding on January 5 at 3:15 p.m. on the Rams' court.

Reese's sudden death pay-off shot came after a number of chances by both teams to hit the winning bucket. Barry Krohn had 15 points for the Rams but fouled out in the fourth quarter.

Bill Dougherty's 11 markers and 8 each for Terry Christman and Clark Beerman, were invaluable as was Reese's four big points. Westmoor was behind at the half, 24-20, and took a 42-38 lead late in the game off two foul shots apiece by Krohn and Dougherty.

San Rafael came back with two quick buckets, one in the last ten seconds, to tie the game.

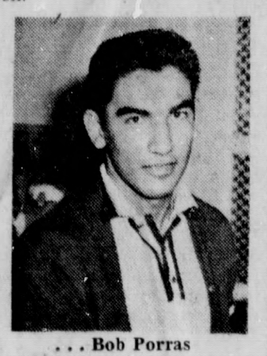
Westmoor's 130's also had a tight battle, losing to the San Rafael lightweights, 42-40. Billy Hix had 16 points for the Ramlings. He made 8 of 9 free tosses. Harry Brown had 11 points in the losing cause while Coach Byron Van Alstyne is still looking for victory No. 1 after four defeats.

Local Coaches Size Up Squads

JOE McGRATH, Jeff wrestling coach: "Both the Capuchino wrestling coach and myself were surprised when John DeWald decisioned Bob Nielson by one point in the 175-pound event. One of the top matmen last year, Nielson won 11 of 12 dual meets and beat DeWald easily; by a pin if I'm not mistaken."

. . . Joe McGrath

BOB BLEVINS, Westmoor wrestling coach: "We have the makings of a good grappling squad. We have 145-pound league champion Len Jacobson back along with second place finisher Glenn Stenstrom in the 120-pound division. Bob Porras, 170-pounder, should also fare well."



. . . Bob Porras

MIKE ORLICH, basketball coach at Jeff: "The Peninsula League Tourney is nothing but a big fiasco. There is no attempt at publicizing it, no medals or trophies are given to All-Tourney players or the championship squad. Organized rooting sections are nil and 5 minute quarters in the opening games are not enough time to show the true worth of a team." (Note: Orlich commented on the foolishness of 5 minute quarters before the tourney started, so it is not 'sour grapes' because his team lost in the opener).

Indians Lead All The Way, Then Lose At Finish

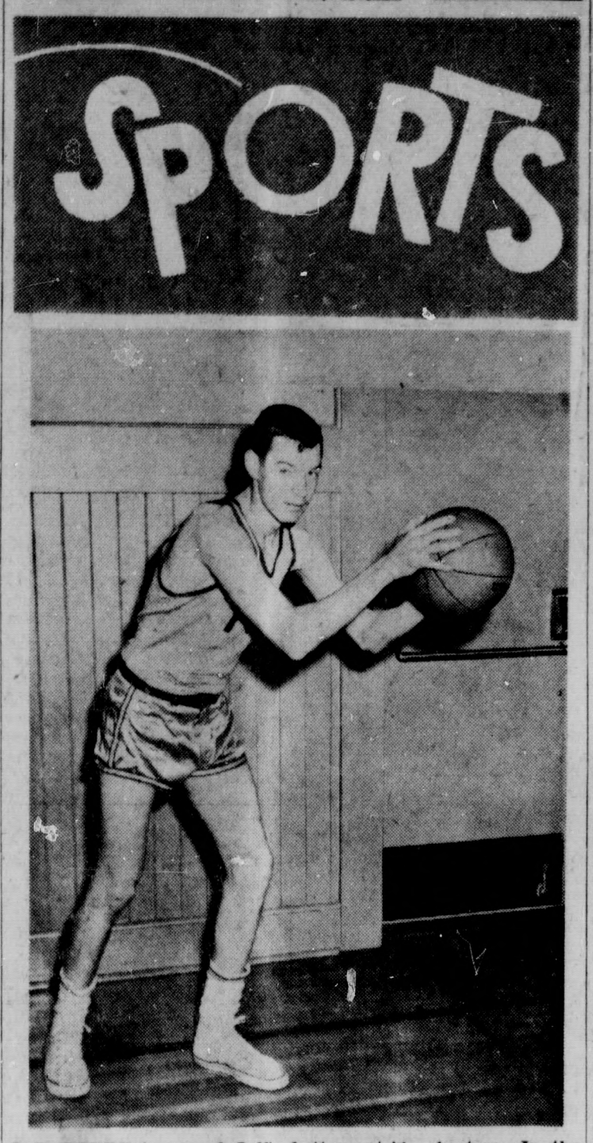
Jeff's varsity led by one point at the end of each period excepting the fourth when Redding took a 40-39 razor edge victory Saturday.

Rick Warne's 130 crew had no worries, however, breezing past Redding's lightweights, 55-20. Bobby Stoller's 23 points led the tribe. Stoller, an all-league 110 and 120 choice the past two years, shows promise of again gaining honors in this category with the 130's.

Hurt by a lack of rebounding, 6-3 center Hiram Sibley not making the trip, Orlich's varsity led all the way excepting the final seconds when Redding finally did the over-hauling job. Jack Horn's 10 points led the Indians while J. B. Berry, playing center, Pat Bell and Gary Molossi had 8 apiece.

The varsity has a 1-6 mark while the 130's are 2-3.

NORTHERN SAN MATEO COUNTY'S LEADING NEWSPAPER
THE RECORD
DALY CITY...



J. B. BERRY is one of Jeff's better outside shooters. In the Peninsula League Tourney he scored 13 points against Hillsdale. Coach Mike Orlich is looking to the 5-11 senior to help the team greatly. League action begins January 8 when Burlingame hosts the Indians at 7:30 p.m. THE RECORD photo

Bowlin' Them Over In W'lake

By Leon Cohn

The Viola Seed team in the 850 Scratch league provided the fireworks on Swanson's Westlake Bowl lanes . . . They became the first group to break the 1000 single game mark for teams as they scattered the pins for 1038 . . . Top man was Frank Mooney with 244 as Bill Viola scored 212, Ken Gaines 208, Al Edwards 190 and Lee Del Secco, 184.

Also, in the same loop, Frank Cvitanich had games of 223-228 and a 630 series for the Westlake Liquirs five . . . Ron Rasmussen, of the Crabtree Realty, registered 618 which included games of 203 and 238.

In the Golden Gate Handicap league, tall 6-4 Fred Von Husen came through with a 632 series built on games of 179-219-234 . . . The Country Club team bowled games of 865-850 and 806 to post a new team series mark of 2522 . . . Joe Kaye, of Liberty Radiator, had a step ladder 146-147-148.

A few of the boys in the Eureka 825 loop had their bowling balls working . . . Dick Stevens' 231 and 223 games helped him to set the pace with a 634 series . . . George Santos started with a lowly 159 game but rolled 215 and 245 for 619 . . . His 245 game is high for the league . . . Lloyd Fleming had 606 with games of 200 and 235 . . . Both are members of the Eilken Signs team . . . Joe Pacini was the other to break 600 as he bowled 604.

Bob Kern, secretary of the Lake Merced league, bowled the highest series of his career when he came through with a 625 and a 246 game . . . Another secretary, Joe Maurino of the Sleepers loop, bowled his highest league game a 243 . . . a low second game kept Joe from his 600 as he shot 590.

Len Baack, of the Al's Richfield five in the Westlake Five loop, was tops with 607 . . . Ang Baldelli in the T.G.I.F. group had a 245 final game for his Teen Shop team . . . John Milani paced the Westlake Wedlocks with 584 and a 233 game . . . In the B'nai B'rith league, Max Freedman missed the charmed circle by 3 pins with his 597 series.

The Telco league's high performer was Jack George with a 240 game and a 605 series . . . Carl Carlson's 230 game and 583 series led the Southwest Handicap loop . . . In the Wednesday Mixed fives, Jess Adkins was high with 593.

Lou Pierovich led the sex in the Evening Stars league with a 519 series . . . Rose Oster also registered a 504 series . . . For the Matinee Bowlerettes it was Ada Harrigan with a 470 . . . LaVerne Palmini had 456.

130's Win First

JEFF CAGERS RIDDLED BY LINCON (SF)

Lincoln (of San Francisco), a team that is loaded, shot through the Jeff High Indians, 72-51, on the winners' court last Wednesday.

Jeff was only four points behind at halftime, 31-35, but couldn't make up the difference in the second stanza. Rich Mercurio, of Lincoln, a hot prospect, meshed 25 points. Feinberg had 19 for the winners.

Gary Molossi's 14-point outburst led the Indians while Jack Horn and Hiram Sibley potted 12 apiece.

The Tribe's 130's won their first game of the season by beating Lincoln's young club, 40-35. Bobby Stoller's 19 points helped to build up the 23-21 halftime lead the local lightweights had.

EVERYBODY'S TALKING

"And don't forget to announce that our Friday afternoon Scratch League starts January 8 and our children are looking forward to playing in the nursery."

WHO SHOULD BE THE FAVORITE?

No 'Segregation' In Peninsula Hoop Race

Segregation will not be a part of the Peninsula League basketball race, is the general opinion put forth by coaches in the area.

There will not be a clear-cut defined line between the eventual winner and other teams throughout the loop. "It will be like the pro football league, the winning club will lose at least three games," said Mike Orlich of Jeff High.

"The battle to the finish will be closer than words in a dictionary," commented Westmoor Coach Tony Giammona.

Mills must be figured as one of the top ranking clubs if they don't loaf as they did against San Mateo in the third place play-off during the Peninsula League tourney. Howard Sundberg, a bully on the boards, can have ample help from Lou Klemme. Both are ex-footballers and hard to move. Rich Jeffries has one of the best eyes of all outside shooters in the conference.

Capuchino promises to be strong with Neil Calhoon and Mike Bunker popping from outside. With adequate help rebounding from Randy Rothman and Bob Turner and fine shooting from Lou Hibben the Mustangs could walk off with honors.

San Mateo has a top-notch performer in Bob Little. Agile, with tree-stump-thick legs, Little has plenty of spring and can score from close or far. If lengthy center Greg Anderson gains a bit more finesse, the Bearcats could be the cream of the crop.

Westmoor figures right along with these teams. Unlike other teams, it is hard to pick out individuals. The Rams probably have the best balanced team in the loop. Placed on a scale the first six men would probably hold the balancing bar evenly. Bill Dougherty has a slight edge as the top scorer for this team as he can pop outside or weave his way under the bucket.

Jefferson, after beating Sacred Heart in a practice game, didn't show too much class. If Gary Molossi and Hiram Sibley, two juniors, perform as they did against the Irish, no team in the league will stop the Indians. Jack Horn had great nights in the tourney and his steadying hand will be needed throughout the season. Pat Bell was below expectations in the tournament but could turn out to be one of the rougest players to hold within bounds once league action starts.

Hillsdale has Hank Moritz and Dennis France to hit double figures, and like the above teams, could either finish first or last.

South San Francisco can boast of Kray Hensley but there is little else to draw from.

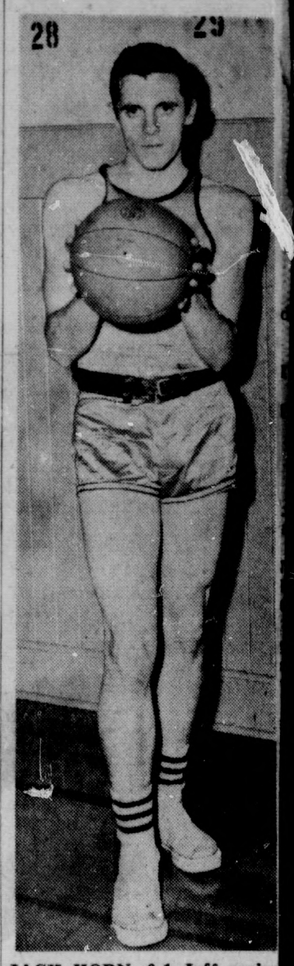
Burlingame was one of the dead teams in the tourney but who did not see action could with the addition of players be stronger than expected.

Some teams in the tournament were said to be "under wraps." That is, waiting for league play before showing what lies behind their hidden hands and poker playing faces.

Others had injuries that wouldn't allow them to get off the ground floor. All in all, the PL tourney is over with and coaches will have to again start from scratch. It did serve as a first "look-see" at all the teams but could prove misleading in final predictions.

Below is a listing of how this reporter thinks the teams will stack up, though anything can happen:

1. Mills
2. San Mateo
3. Westmoor
4. Capuchino
5. Hillsdale
6. Jefferson
7. South City
8. Burlingame



JACK HORN, 6-1 Jeff senior was named to the Peninsula League All-Tourney team. Horn hit for 24 points in two games, 15 against Westmoor in the opener. He scored 12 points against Lincoln in a high scoring practice game last week.

Nielson, Banos Named Tops At Block J Dinner

Bob Nielson and Art Banos shared honors as the "outstanding player of the year" for Jeff High senior performers, announced Football Coach Joe McGrath at the annual Block J award dinner last Wednesday.

One hundred boys were introduced at the banquet. They were: Varsity Football: Steve Dueschel, Gary Monyhun, John Souza, Jerry Sifford, Gino Bertolino, Jim Caruso, Dave Butler, Daryl Cohn, Ed Crowley, Harold Leininger, Gil Moreno, Roger Stahl, Sal Blas, Joe Bollentini, Doug MacArthur, Wayne Pickering, Bob Guerrero, Al Cascidio, John Sanbrailo.

JV Football: Rich Reitz, Rolan Haroun, Sam Ennon, Emil Bess, John Newman, John Merino, Sam Ayala, Graig Garcia, Jim Parker, Bob Brush, Cory Patton, Bob Miller, John Mazzella, Bob Kasper, Dwane Baswell, Jim Belvin, Paul Bostrom.

Varsity Managers: Earl Kick, Mike Rovai, Mario DaMato.

Frosh Football: Carl Carpenter, Larry Ahuna, Al Brown, Armando Cadena, Daryll Crist, Dave Dirks, Jack Durham, Frank Gallegos, Ron Goo, Dan Hermosillo, Sam Hermosillo, Joe Kavanaugh, Larry Keeling, Al Lonstrom, Ray Marshall, Paul Prunty, Leland Rowe, Rich Waller, Dale Wise, and managers; Ron Belknap, Rich Guerrero, Charles Wright.

Varsity Cross Country: Bob Alverio, Art Bilkey, Otto Bos, Olin Craig, Anibal Davila, Rich Marston, Ted Marquez, Joe Vaez.

JV Cross Country: Jerry Gomez, Milton Printemps, Gary Radutovish, King Spencer, Rich Wright.

Frosh-Soph Cross Country: Bill Baird, Carlton DeArman, Frank Lazo, Dave Machagan, Leonard Marston, Carl Peterson, Ron White and managers Doug Calvin and Peter Perry.

110 Basketball: Robert Balestreri, Wayne Crane, Jimmy Fair, Danny Luciano, George Presley, Jerry Wills and manager; Arnold Sargent.

120 Basketball: Nick Andresen, Herb Clark, Darryl Haanen, Walt Pickering, Lee Quan, Bill Sarris, Bob Soldera.

Ellesmere Island, Northwest Territories, Canada, 77,392 square miles in area, is the world's tenth largest island.

The common wild oat is believed to have been brought to California as seeds in the fleece of Spanish sheep.

The oldest fruit known to mankind is the olive, the first fruit mentioned in history.
